## Keynotes:

- This document is exclusively intended to provide a useful healthcare assessment guidance to our erasmus students during their stay in Košice. None of the doctors listed above authorized the usage of their name for content distribution or any other purpose unrelated to the main topic.
- As you may have noticed, most english speaking General Practitioners are closed during the weekends. If medical assistance is required during the weekend/holiday period, we encourage to visit the hospital Nemocnica AGEL Košice-Šaca (Lúčna 57, 040 15 Šaca). Most english speaking doctors work there. Find below attached how to get there.
- **How to get to AGEL?**
- Bus number 52 from Námestie osloboditeľov bus stop (in front of Aupark center).
- Taxi.

Stay healthy.
